

General Continuing Medical Education Information

Medical Management of Incapacitating and Riot Control Agent Casualties

Activity ID

2008-0441

Course Director

Charles G. Hurst, M.D.

Planner

Sharon Key

Activity Date

10/1/2008 - 9/30/2009

Accreditation Statement

The U.S. Army Medical Command is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Credit Designation

The U.S. Army Medical Command designates this educational activity for a maximum of **2** *AMA PRA Category 1 Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Statement of Need/Gap Analysis

The purpose of this CME activity is to address the identified gap(s):

- * 1) Medical providers must be able to differentiate signs and symptoms of chemical incapacitating & riot control agents.
- * 2) Medical providers must be able to supervise and delegate resources during the patient decontamination process.
- * 3) Medical providers must be able to identify and appropriately treat patients exposed to chemical incapacitating & riot control agents based on diagnosis.

Learning Objectives

1. Apply the fundamentals of chemical agent terminology to the diagnosis & treatment of cyanide agent casualties & recommend appropriate treatment, decontamination & detection to reduce illness & injury due to cyanide agent exposure.
2. Apply the fundamentals of mechanism of action to the diagnosis & treatment of cyanide agent casualties & recommend appropriate treatment, decontamination & detection to reduce illness & injury due to cyanide agent exposure.
3. Apply the fundamentals of mechanism of action to the diagnosis & treatment of cyanide agent casualties & recommend appropriate treatment, decontamination & detection to reduce illness & injury due to cyanide agent exposure.

Intended Audience

The course is designed for Medical Corps and Nurse Corps officers, physician assistants, Medical Service Corps officers in specialties 67B, C, or E, and other selected medical professionals. Lectures, case studies, and interactive modules prepare graduates to effectively manage casualties exposed to chemical incapacitating & riot control agents.

Disclosure of Faculty Relationships

As a sponsor accredited by the ACCME, it is the policy of the U.S. Army Medical Command to require the disclosure of the existence of any significant financial interest or any other relationship a faculty member or a sponsor has with the manufacturer(s) of any commercial product(s) discussed in an educational presentation.

Charles Hurst

No information to disclose.

Disclosure of Committee Member Relationships

As a CME provider accredited by the ACCME, it is the policy of the U.S. Army Medical Command to require the disclosure of everyone who is in a position to control the content of an activity, to include CME directors, planners, and committee members. The incumbent must disclose any relevant financial relationships with any commercial interest over the preceding 12 month period. Any conflicts of interest need to be resolved prior to the start of the activity.

Lisa Capers

No information to disclose.

Sharon Key

No information to disclose.

Acknowledgment of Commercial Support

There is no commercial support associated with this educational activity.

Enduring Material

Original Release Date: 3/31/2003

Expiration Date: 9/30/2009

Review Date: 8/1/2008

New Expiration Date: 8/1/2010

Estimated time to complete this Educational Activity (hours): 2

Medium or Combination of Media Used: Internet CME, Home Study Course, CD-ROM. Sound Card, Speakers, Windows Media Player 7.1, and Real Player. This program is best viewed in Internet Explorer (IE) 5.0 or higher, as stated on our web site: <https://ccc.apgea.army.mil/courses/distance/cbt.htm>

This page must appear in your web page or with the media being used.

Upon completion of this activity, logon to the CME Website at:

<https://apps.mods.army.mil/cmeweb/secured> to obtain a physician or non-physician certificate. From the home page, click on the "CME User Accounts" portal then login. Complete the course evaluation and Request for Credit Form and submit. Refer to the "Instructions" button for assistance and additional information. You may also contact the CME Planner, Sharon Key at Sharon.Key@amedd.army.mil or 4104362230.
